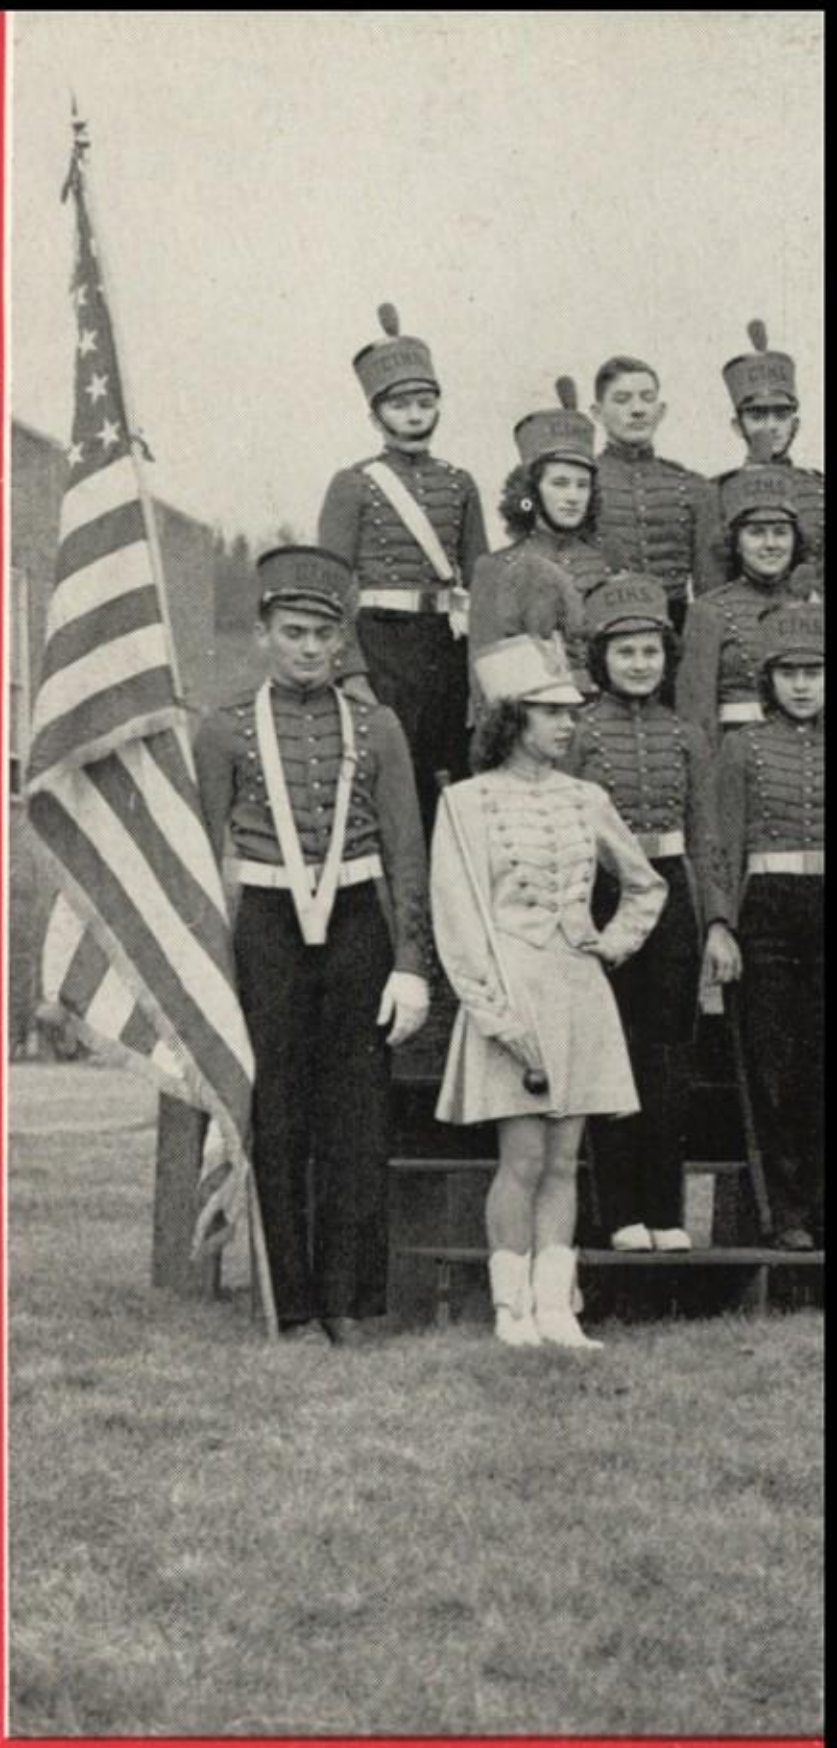
BAND



March—march—march—march; at football games—at parades—in the township and out of the township; through rain, snow, wind or sleet, the "old faithful" band members kept plugging along to keep up their high honors.

Under the excellent leadership of Mrs. Van Lohr, whose schedule was partly filled by Mr. Hurrell, Miss Shaffer and Mrs. Bossler, they came out with "flying colors" at a brilliant performance of their annual spring concert.

Officers for the term were as follows: Kathryn Holak, president; Blair Blough, vice president; Norma Marchi, secretary; Joan Verna, and Ruth Smith, treasurers.

I-N-D-I-A-N-S Fight! That's right; it's the "Nifty Eight" again making the whole student body stand, yell and sing, as they did all through the 1946-47 football and basketball seasons. The white skirts with red linings, which the girls made themselves, were worn for the first time at the Cheerleaders Contest in Ferndale, where our girls walked off with third prize. The Papooses are now under the direction of Squaw Kelly, the new physical education teacher, who, without a doubt, has improved our "Indian Squakers" one hundred per cent.

Scads of talent! That's what you'll find in the Senior High Chorus. They once heard the adage "Practice makes perfect" and immediately put it to use. The pleasant result being many happy hours for C. SWING BAND

Hiya cat, wipe ya feet on the mat, let's slap on the fat and dish out some scat. You are now a prisoner of the Conemaugh Township High School Jazz Band, who can deal off the bicep and dispense with seven score and ten ticks of estatic static and spectacular vernacular at bright, dim, or black.

They're really dicty with the doghouse, and will salivate a neat reed when necessary—I mean really! Flats and gassers all strop the insteps of the crackess of this small institution of good musicians and taste the vanilla before taking a powder to the next bright.

Gastric plastic—soft, slow stuff—is also a specialty of this consternating condescension from Heaven. They beat it eight to the bar when a body can consume all this brash trash.

Now we'll take a tacit 'till '48, when the professors of thermodynamics will be back with hot blues, boogie, chamber-music jazz, jazz antiques and a few fetching-etchings from Grandpa's day.

'Till then, keep ya chin up, good will toward men, and here's lookin' at ya.

FOOTBALL

Handicapped by a schedule more suited to a Class AA school, Coach Mollura's Indians finished the '46 season with a record of three wins and seven defeats. Every game, from the 20-6 loss to Johnstown which was the season's opener to 20-0 Windber victory in the final game, was a hard fought contest with both teams knowing they had been in a fight.

In the opener with Johnstown, the Braves surprised the Trojans for the second straight year by holding them to a two-touchdown victory.

In the second game of the season, the Indians defeated Boswell, 6-0, for their first win of the season. Although hoping for the first Indian football victory over Ferndale, the Braves lost to the Yellow Jackets 18-0. Victories over Portage, 12-0 and Shade, 25-0, followed in the next two games.

Ebensburg then took a surprisingly easy 22-0 victory to dampen the Tribe's hopes.

In their 19-14 loss to Westmont the Indians played what was the outstanding game of the season. Successive losses to Conemaugh, 26-0, and Somerset, 14-6, then followed and in the season's final game the Indians lost to a stormy Windber team, 20-0.

FOOTBALL

When the curtain was dropped after the last play of the Windber game, nine seniors said good-bye to scholastic football. Six of these boys were first-string starters and two more played regularly throughout the season. Following is a brief description of the football squad:

RODNEY LINTZ—End. After subbing for two years, Rodney got his first chance at a first-string position this year and he made good.

MIKE GALLO—Tackle. "Big Mike," in his third season with the Braves, shook off a serious leg injury received last year and gave the line much needed experience.

MARIO BRACKEN—Guard. Mario, another third year man, made good in his first chance at a first-string assignment.

JOE BUTCHKO—Back. "Club," in his first year of first-string action, played a bang-up game at left half. Joe saw limited action in '45.

WALTER FILIMONOV—Back. Walt, with his aggressive spirit, saw action throughout the year.

BILL STUTZMAN—Back. Bill did a fine job of "masterminding" the Indians from the quarter-back slot in his third year of football.

1946

DICK CUGINI—Back. Dick, a converted lines-man, played a great game at full-back in his third year as an Indian.

LEONARD MASTROCOLA—End. "Len," in his second year of grid work, was in a lot of action at the pass-receiving position.

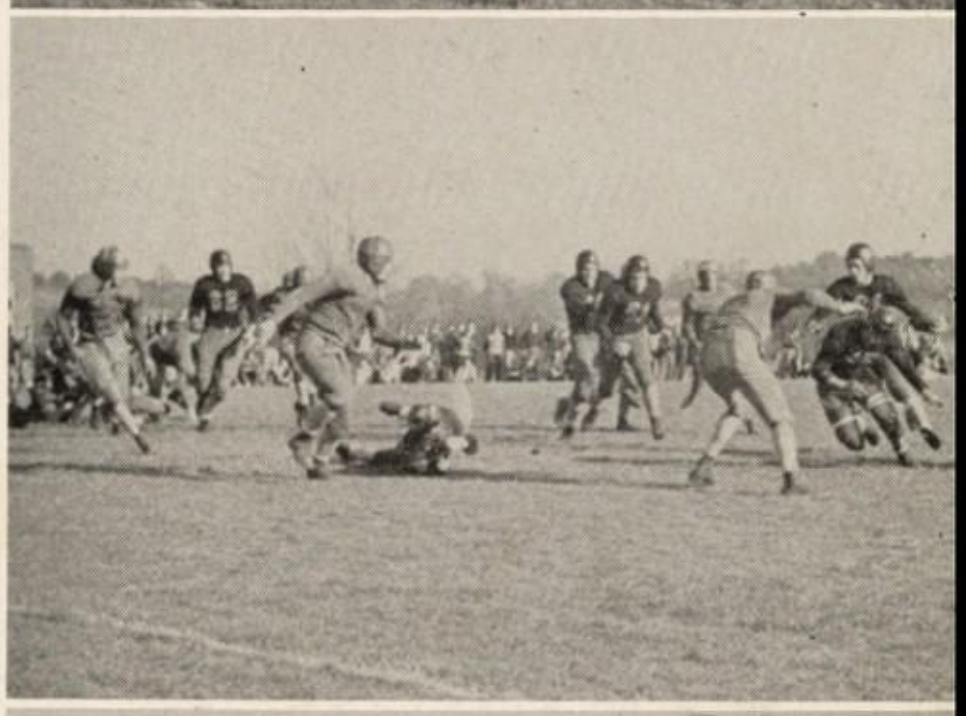
GLENN KOCHER—End. Glenn played a great game at left-end in his second year of grid action. Watch out for him next season.

ORVILLE CARNAHAN—Tackle. This hard-hitting sophomore captured a first-string job this year. "Orv" has one more year of "pigskinning" anticipation.

BILL BARTY—Guard. Bill played a fine game this year He's one of the players around whom next year's team will be built.

TED CARRICO—Center. "Bender," although one of the smallest players, proved himself a great center by making the first string "Tribune All-Star" team. Watch him next year.

TONY CAPRETTI—Back. Tony played a lot of good football at left half. "Tor" isn't very big, but everybody knew he was in there. He's one of the hold-overs for next year.



LEFT TO RIGHT—Tony Capretti, Ed Holoka, Tom Telenko, Don Cotchen, Bob Montgomery, Jackson Korns, Stanley Dohoda, Glenn Kocher, Dick Cugini, Joe Brown, Mike Shubic, and Ted Carrico.

BASKETBALL

Coach Mike Visnovsky's cagers, playing hot and cold throughout the season, finished with seven wins and fourteen losses. Victories were recorded over the Faculty, Hooversville, Windber, Ferndale, and Shade Township.

The Ferndale victory, one of the biggest upsets in this district, was the Indians' outstanding performance of the year.

Conemaugh, Alumni, Westmont, Bedford, Somerset, Boswell, Berlin, and Ferndale all pinned defeats on the Indians.

What power the Braves did show was fairly evenly distributed with Carrico, Kocher, Brown, Korns, Cugini, and Dahoda taking high scoring honors at one time or other.

The Tribe opened the season on December 10th with successive wins over the Faculty and Hooversville followed by their first defeat of the season at the hands of Conemaugh, 52-39. Stoneycreek took the final game of the season by a 34-42 score.

Coach Visnovsky's cagers were unable to take a single District Five victory, in losing four games to Somerset and Berlin.

Hope this clicks!

Coach Spory's matmen had a very successful season this year with a record of eight wins and five losses. Three boys, Lintz, Stutzman, and Christina, won in the District bouts, but met defeat at Kingston in the state finals.

An exciting match was the one with Boswell, when the Indians won by a margin of one point, 20-19. The Braves lost to only three squads; namely, Blairsville, Boswell, and Bedford.

Showing great strength all the Township matmen were potential winners.

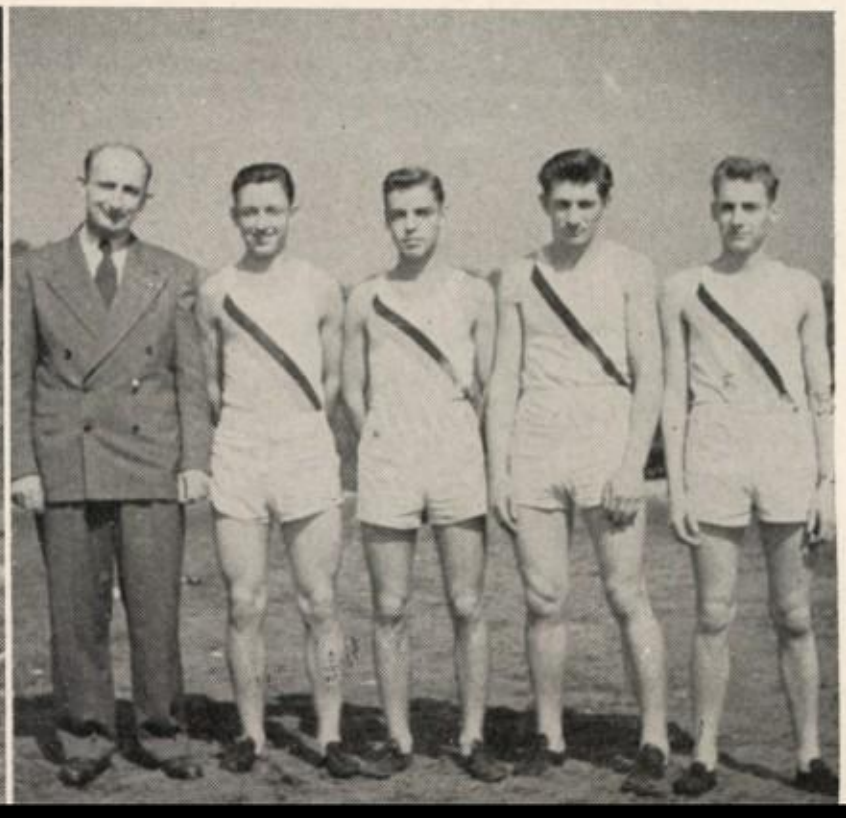
Conemaugh Township's high-stepping trackmen took their eighth consecutive District 5 track crown last season to end a very successful year. This victory came on top of the largest number of points ever compiled by a Township team in the district meet. In addition to these honors, the thinclads won two other meets, won the two-mile relay and the broad jump, and placed second in the Coaches' Relay at Altoona.

Conemaugh Township opened its 1946 season with a victory over Hollidaysburg, Ebensburg, Cresson, and Windber, copping a total of 46 points. Outstanding in this meet was the fact that the Indians scored in every event.



In their second test of the campaign, the Indians were hard-pressed and were content with third place against formidable opposition. Johnstown captured top honors with Ebensburg, a team defeated by the Indians in a previous meet, coming out of the fray in the runner up slot, a mere half point better than the Indians. The final standings were still in doubt until the final race of the afternoon when, after a thrilling battle between the Indians' Barndt and Jack Tibbott, a potential state champ from Ebensburg, the Red Devils nosed out the Braves to cop second place in that race and in the meet.

The first trophy came to Conemaugh Township in the form of a first place in the annual Junior Pitt meet held at Cochran on May 3, 1946. Stutzman and VanDivender won the 440 and 880 respectively, while other winners for the Warriors were Kalmanir in the broad jump, Cugini in the javelin, and Kephart in the pole vault.

On May 11, a two mile relay team, along with a carload of field events men, journeyed to Altoona where they entered the Coaches' Relay carnival in that city. Although they had no intentions of entering a team to compare wih tthose of Altoona and Johnstown, a few trackmen showed up unexpectedly and the Indians pulled the surprise of the year by winning two events and placing second in two others. The two mile relay team composed of Van Divender, Kaltenbaugh, Butchko, and Barndt buzzed the course in eight minutes, 41 seconds, which would compare with the top high school teams in the state. In the broad jump, Andy Kalmanir leaped to a victory over some of the best men in District Six and in the high jump and pole vault, Kephart stood up to the best of them before faltering and placing second in each. The win in the relay event brought Conemaugh Township its second trophy of the season, but a school must secure three wins in that event to keep permanent possession of the prize.

Ending the season in a rip-roaring manner, the Indians amassed a total of 98½ points to easily outclass the Somerset and Shade Township runners and win the coveted district championship. Three records were discarded as Kephart set two and Lehman of Somerset broke the mile run mark. District champs from Conemaugh Township were Barndt in the 440, Butchko in the 880, and Kephart in the pole vault and high jump. In addtion, the Indians won the half-mile and the mile relays.

This year, the Indians will be guided by their pre-war coach. Mr. Robert Kelly, who will take over the reins in place of Mr. Grenninger.
